BAYWALK BOARDWALK

SUMMERSIDE, PE • 2009-2011

BDA prepared the plans and supervised construction of the Baywalk trail park corridor along the Summerside Waterfront. (trail layout by Ratelle Associates) The linear park includes a variety of landscapes including open meadows planted with Fescue grasses, a forested area with a managed understorey and trail edge beds of wild roses. The Baywalk also includes seating shelters, lookout areas, a green gym (outdoor exercise stations) and compost toilet.
